## **1. NEC – Requirement No. 2**

The THERACAT consortium partners ensure that the research conducted in the framework of the project will rigorously comply with the ethical standards and guidelines of Horizon2020 regardless of the country in which the research is carried out.

The THERACAT consortium partners confirm that the research conducted at Universität Basel (Switzerland, outside the EU), Tel Aviv University and TEVA Pharmaceutical Industries Ltd. (both located in Israel, outside the EU) is compatible with the Union, national and international legislation and could have been legally conducted in one of the EU Member States.
